CIGNA Group Insurance Goes Live with FJA-US' Product Machine

New York City, NY – FJA is pleased to announce that CIGNA Group Insurance, a Philadelphia, PA-based leading provider of group insurance, has implemented a new rating solution for group products using FJA's Product Machine.

"FJA's Product Machine has been an integral tool in building CIGNA Group Insurance's Rating Application Suite," said Eric Carp, program manager for CIGNA Group Insurance. "The flexible modeling capabilities inherent in the Product Machine have enabled CIGNA Group Insurance to implement a robust rating application supporting all of our core products. We continue to expand the use of Product Machine - building upon the successes we have had implementing solutions with the support of FJA."
